WRIT PETITION No.8231 OF 1996

O R D E R: (per BN, J)

The petitioner's vehicle was seized on 06-04-1996 while being plied at Hyderabad. He is a resident of Balasamudram, Hanamkonda, Warangal District. He had submitted an intimation to the respondent that he had stopped his vehicle from 31-08-1993 at his own residence, but surprisingly, the vehicle was found in the year 1996 at Warangal. Thereafter, a show cause notice was given to the petitioner. His reply was considered and he was asked to pay the tax from 1993 to 1996 along with penalty. Penalty part of it is appealable also and the appeal has not been filed.

We do not find any illegality in the order passed by the authority, because if the vehicle was stopped and kept at the residence of petitioner in 1993, it could not have been come to Hyderabad, without any permission having been obtained and the vehicle, according to the petitioner, was stopped as it needed repairs.

In the circumstances, there is no merit in this petition.

The Writ Petition is accordingly dismissed.
